

share the **Love**

As women, we have the power to transform our community just by talking to people we love about something we know could really make a difference for them.

Who in your life do you think this program would make a difference for? Would it make a difference for you if she were here?

Free One Month Membership!

During the month of February, **the new well** members may offer their friends and family members a free one month membership!

Please call to schedule your first visit!
